2018-19 SEASON PREVIEW

COWGIRLS LOOK TO DEFEND BIG 12 CROWN

Oklahoma State enters the 2018-19 season looking to replicate last season's perfect 4-0 mark in conference play that led to the school's sixth Big 12 Championship while reaching the quarterfinals of the NCEA Championships.

The Cowgirls return four All-Americans from the 2017-18 season and a team that posted a 10-4 overall record en route to the Big 12 title. OSU head coach Larry Sanchez has also added some impressive new riders.

Harley Huff, the team's only first-team All-American, was also named 2018 Big 12 Rider of the Year for Horsemanship as a freshman. She went 13-1-1 which included a perfect 5-0 mark in the postseason. Huff earned a team-high eight MOP honors and was the Big 12 Championship's MOP.

Junior Hannah Mitchell, the 2017 NCEA Reining Rider of the Year, was awarded second-team NCEA All-American honors. The team also returns two honorable mention NCEA All-Americans, in sophomores Abigail Brayman (Equitation on the Flat) and Stephanie Helsen (Reining).

The Cowgirls bring in 12 new riders to this season's team, which are freshmen.

The Cowgirls open the season on the road in College Station, Texas, where they'll face off against Texas A&M on Sept. 28. Last season saw Oklahoma State take a 10-5 victory over the Aggies in Stillwater.

Non-conference opponents making the trip to Stillwater include West Texas A&M (Nov. 10), SMU (Feb. 16) and Fresno State (March 9). All home meets at Totusek Arena have free admission.

OSU will venture on a two-day SEC trip on October 19-20 with stops at defending NCEA national champion Auburn and national runner-up Georgia. The Cowgirls travel to Fort Worth on Nov. 2 and Waco on Feb. 9 for their road Big 12 slate.

The last road trip of the season is over a thousand miles away to Dover, Delaware, where the Cowgirls square off against Delaware State on March 1 and South Dakota State on March 2.

OSU closes out the 2018-19 regular season against Fresno State on March 9 at home before hosting the Big 12 Championship later that month on March 29-30.

The NCEA National Championships will be held in Waco, Texas, from April 17-19.

Staff

Larry Sanchez is in his 20th season at the helm of the Oklahoma State Equestrian program. Sanchez has led the Cowgirls to six national championships and six Big 12 titles.

LARRY SANCHEZ

HEAD COACH | 20TH SEASON
 NEW MEXICO STATE

Leading the Oklahoma State Equestrian program is head coach Larry Sanchez for his 20th season. Last year Sanchez received his third Big 12 Coach of the Year honor.

Under the guidance of Sanchez, Oklahoma State Equestrian has made its presence known at the NCEA National Championships every year, winning titles in 2000, 2003, 2004, 2005, 2006 and 2013. Sanchez also led the Cowgirls to Big 12 Championships in the 2009, 2012, 2013, 2014, 2016 and 2018 seasons.

In 2014, Sanchez added another impressive accomplishment to his resume, becoming the first coach in Big 12 Equestrian history to lead his team to three consecutive Big 12 Championships.

As one of the most respected and successful equestrian coaches in the country, Sanchez has

been essential in the sport's move toward varsity recognition. He currently serves as the spokesperson for the Varsity Equestrian Steering Committee, which is responsible for the development, organization and implementation of all aspects involved with assembling varsity equestrian as an emerging NCAA sport.

A native of Colorado, Sanchez began his intercollegiate coaching career at New Mexico State in 1993 and quickly organized one of the nation's top programs in the IHSA. Under his leadership, NMSU won national titles in 1995, 1997 and 1998.

Sanchez moved to Stillwater to launch Oklahoma State's team in 1999. In his 20-year coaching career, 14 of his qualifying teams have placed in the top four at the national level. Additionally, he has coached an impressive 23 riders to individual national championships and 13 riders to reserve championships.

Larry Sanchez

HEAD COACH LARRY SANCHEZ

During his years leading the Oklahoma State program, Sanchez has earned his share of individual coaching accolades.

In 2013, he earned both NCEA and Big 12 Conference Coach of the Year honors after leading the Cowgirls to their third Big 12 Championship and third NCEA Western National Championship.

During his time at Oklahoma State, Sanchez has coached numerous All-America and All-Big 12 honorees. Since 2011, Stillwater has been home to 40 NCEA All-America selections and 36 All-Big 12 selections.

Under Sanchez's watch, eight Cowgirls have been named Big 12 Rider of the Year in their respective disciplines.

Sanchez's riders have found great success in the classroom as well. The program's emphasis on academic success is evident in the team's frequent appearances on Big 12 and NCEA honor rolls. In the last seven years, the Cowgirls have earned 107 selections to Academic All-Big 12 teams. Two years ago, a Cowgirl also earned the Big 12 Scholar-Athlete of the Year award.

Coach Sanchez completed the coursework for his M.A. in agricultural education at NMSU and received his B.S. in equine science from Colorado State. He is a carded judge, breeder and competitor within the American Quarter Horse Association.

Larry and his wife, Julie, who is a registered nurse, have two children. Their son, Colton, is 22 years old, and their daughter, Caitlyn, is 20 years old.

Opponents

The 2018-19 Cowgirl Equestrian schedule is highlighted by five home matches, including two Big 12 matches against Baylor and TCU. The Cowgirls will also host the Big 12 Championship this season on March 29 and 30.

THE BIG 12 CONFERENCE: A NATIONAL LEADER

The Big 12 is in its 23rd year in 2018-19 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of seventh-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 22 years. Since it began competition in 1996-97, the league can boast of 60 NCAA team titles and 654 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 has continued the "State of Collegiate Athletics" forums the past four seasons with Dallas serving as the host site for three events and one staged in Atlanta.

Big 12 Champions for Life, an initiative of the Big 12 Conference, will begin its fourth year in 2018-19. It features

student-athletes, selected by Conference institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 was the only conference in 2017-18 that placed a team in the College Football Playoff (Oklahoma), Men's Final Four (Kansas), Men's College World Series (Texas and Texas Tech) and Women's College World Series (Oklahoma). National championships were won by Texas men's swimming & diving and Oklahoma State men's golf. UT's title was its fourth-consecutive while the Big 12 picked up its second straight men's golf crown with Oklahoma winning it in 2017. Of the eight teams that advanced to match play in the men's golf championship, half of the field represented the Big 12.

For the first time in Conference history, the Big 12 sent 90% of its men's basketball teams to postseason play with seven in the NCAA Division I Men's Basketball Championship and two in the National Invitation Tournament. The Big 12 is the first league since at least 1996-97 to accomplish this feat. The Conference's 70% participation in the NCAA Championship was the highest of all leagues.

The Big 12 led the nation in the fall of 2017 with 80% of its teams selected to bowl games highlighted by No. 2 Oklahoma competing in the CFP Semifinal at the Rose Bowl. The Big 12 had at least 80% of teams bowl eligible for the third time in Conference history (90% in 2010 and 80% in 2011). It marked just the 14th occasion since 1996 that an FBS league had at least 80% of teams with 6-plus wins. The Big 12 has made six appearances in a CFP News Year's Bowl in the four years of the structure.

Additionally, the Big 12 added its sixth Heisman Trophy

winner since 1996 with Baker Mayfield (Oklahoma) taking home the 2017 award. The Conference has had a finalist in 14 of its seasons for a total of 19 with two finalists in five seasons. Thirty-eight major individual awards have been won by Big 12 student-athletes in football over the past nine campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last seven seasons, 14 student-athletes were recipients of the NCAA Elite 90 Award with Oklahoma State's Noah Gade (cross country), Oklahoma's Lily Miyazaki (women's tennis) and Baylor's Colin Kober (men's golf) picking up the most recent honors in 2017-18. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 650 Academic All-America recipients, averaging about 30 each season.

THE BIG 12 CONFERENCE: A NATIONAL LEADER

Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Thirteen times in the past 14 years a league athlete has garnered the top academic honor for their respective sport, including Jevon Carter (West Virginia) for men's basketball in 2017-18.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 421 scholars have received over \$3.1 million in postgraduate financial aid through the first 22 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 21 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Big 12 can take pride in other stories that combine on and off the field success. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008 while Imani McGee-Stafford (Texas) was honored in 2015. It is given to an outstanding female college athlete who overcomes adversity to excel in her sport. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed \$200,000 to the relief efforts. In the fall of 2014, Oklahoma football student-athlete Sterling Shepard and head coach Bob Stoops were honored with the Disney Sports Spirit Award while Kansas football student-athlete JaCorey Shepherd received the Lee Roy Selmon Community Spirit Award. Ty Darlington (Oklahoma) earned the 2015 Wuerffel Trophy which recognizes community service along with athletic and academic success.

The Conference office is headquartered in Irving, Texas.

2017-18 In Review

The Cowgirls ended the year as one of the top teams in the country once again. OSU finished the 2017-18 season with the programs sixth Big 12 Championship. The team posted a 10-4 record, with a perfect 4-0 mark in Big 12 play.

2017-18 EQUESTRIAN SEASON REVIEW

COWGIRLS WIN SIXTH BIG 12 TITLE

Oklahoma State Equestrian enjoyed a great season in 2017-18. The Cowgirls tallied 10 victories, their highest win total in three seasons. In addition, OSU captured the Big 12 title and made a quarterfinal appearance in the NCEA Championships.

The squad boasted six All-Americans: Abigail Brayman, Stephanie Helsen, Harley Huff, Ebba Lange, Hannah Mitchell and Kendall Pedigo.

The Cowgirls began the season ranked No. 4 in the NCEA rankings.

The Baylor Bears were the Cowgirls' first opponent of the season. The No. 5 Bears came into Stillwater, Okla. as defending Big 12 Champions. OSU unseated them soundly, 14-4. Mia Bray and Maggie Drysch took the first MOPs of the season.

No. 5 SMU played host to the Cowgirls in their second match of the season. Halfway through the match, the Mustangs were dominating, 7-3. The Cowgirls came close to coming back, but fell short, 11-9. Both teams finished with the same overall score, 1,466. Even in loss, OSU proved its worth, sweeping the MOP honors. Brayman, Huff, Carly Barrick and Julia Purus were the outstanding performers.

OSU went on the road for the second week in a row, this time facing South Carolina. At the halfway point, the match was tied at 5, then things turned south for the Cowgirls. The Gamecocks finished the match 8-2 to win 13-7.

Despite losing back-to-back matches, the Cowgirls had two riders receive awards. Huff won NCEA October Rider of the Month for Horsemanship. Additionally, Huff and Helsen won Big 12 Conference October Rider of the Month awards.

Shortly after, the No. 6 Cowgirls returned home to face Big 12 opponent TCU at Totusek Arena. OSU defeated the No. 8 Horned Frogs in all four events. Brayman, Huff and Lange all took home MOP honors.

In the final event of the fall season, OSU hosted No. 2 Texas A&M. The Aggies were national champions in 2016-17. The match came down to the final event, Reining. The Cowgirls prevailed, winning 10-8. Purus and Hannah Janson earned MOPs. OSU began the spring season ranked No. 3.

Kicking off the spring season, the Cowgirls played host to No. 5 Auburn. Auburn grabbed a 9-4 lead, but OSU's comeback attempt fell just short. The Tigers won 10-8. In light of the defeat, Brayman, Huff and Purus all earned MOPs.

The Cowgirls headed West to Fresno, Calif. for their next two events. No. 5 OSU faced a familiar foe in No. 3 SMU. The Mustangs went undefeated in the fall season, including a win over OSU. The Cowgirls avenged their loss with an 8-6 win. Drysch, Huff and Purus claimed MOPs.

The next day, OSU faced No. 10 Fresno State. The Cowgirls fell behind 6-4, but quickly regrouped and won the match 11-8. Janson and Mitchell won MOPs for their efforts. For her outstanding performances in February, Mitchell was named NCEA Rider of the Month and Big 12 February Rider of the Month.

Next, the Cowgirls traveled to Fort Worth, Texas, to take on No. 7 TCU. OSU won its with a 10-9 victory. Huff won her sixth MOP of the season and Mitchell took her season's second MOP in back-to-back fashion.

After OSU's three road victories, West Texas A&M came to visit Stillwater. The Cowgirls celebrated Senior Day at Totusek Arena with a resounding victory, 17-3. Seniors Mad-die Bender, Kirsten Chamberland, Libby Collins, Lange, Drysch and Barrick won their matches. Ebba Lange won an MOP, Janson won two MOPs and Huff won her eighth MOP of the season.

Baylor played host to OSU on their own senior day. The Cowgirls spoiled the occasion winning handily, 14-6. The No. 7 Bears couldn't stop No. 3 OSU from finishing their season

with a perfect Big 12 record. Lange and Huff won back to back MOP honors.

Huff and Lange complimented their MOPs with Big 12 March Rider of the Month awards. Both were undefeated in March.

Brayman and Huff were honored with NCEA March Rider of the Month awards.

The Cowgirls entered the Big 12 Championships on a winning streak of five. Baylor and TCU were awaiting OSU in Springtown, Texas. The Cowgirls had beaten both squads earlier in the fall and spring. The results in the Big 12 Championships were no different. TCU fell to OSU 11-9, then the Cowgirls beat Baylor 13-7. The conference crown was OSU's sixth, a league high. The Cowgirls swept MOPs during the weekend. Brayman, Huff and Danielle Cohen were the winners of the awards.

Barrick and Huff were named Big 12 Rider of the Year. Barrick earned the award in Equitation over Fences. Huff won hers for Horsemanship.

Barrick and Huff were also named to the All-Big 12 teams. Lange and Mitchell joined them on the All-Big 12 team.

Entering the NCEA National Championships, OSU earned the third seed. The Cowgirls fell to TCU in the quarter-finals of the NCEA Championships, 10-5.

EQUESTRIAN HISTORY

In 1998 the NCAA declared equestrian as an emerging sport. As of September of 2007, there are nineteen (19) Division I and four (4) Division II colleges and universities who participate at the varsity level with new programs being added every year. The average size of current women's equestrian teams is 46 with a range from 20 to 100 athletes.

From the Kentucky Derby, to the Olympics, to the Varsity Equestrian National Championship, equestrian sports are already in the American spotlight. Major national, satellite, and cable corporations already host the sport of equestrian. You can watch horses on NBC, ESPN, Outdoor Life Network, TVG, and College Sports TV to name a few. There are already weekly programs dedicated to the horse, one of which, the American Quarter Horse Association's "America's Horse" televises the Varsity Equestrian National Championship, the precursor to the NCAA Championship. To assist in promotion of Varsity Equestrian and to provide a media outlet for disbursement of the current news regarding equestrian, we are proud to announce the development of www.varsityequestrian.com, 'The Official Web site of NCAA Varsity Equestrian'. Lastly, there are roughly 250 magazines, newspapers and newsletters devoted to horses; many of which already cover collegiate equestrian.

In previous years, all collegiate equestrian competitions were conducted under the auspices of the Intercollegiate Horse Show Association (IHSA). Since its inaugural year in 2000, Varsity Equestrian has implemented a dual-meet format in competitions. Teams compete in four events: Hunter Seat Equitation Over Fences, Hunter Seat Equitation on the Flat, Western Horsemanship, and Reining. An equal number of riders from each team compete head-to-head on each event on the same set of horses. The lowest score is dropped before computing the team score.

POST-SEASON COMPETITION

The Varsity Equestrian National Championships has become an annual competition since 2002. This competition will become the NCAA Championship. There are three titles at stake each year: the Overall Team Championship, the Hunt Seat Team Championship, and the Western Team Championship.

GOVERNANCE OF THE SPORT

Varsity Equestrian Steering Committee:

The heart of any organization is its people. Besides the outstanding athletes, Equestrian is fortunate to have coaches who give of their time to serve as leaders for the sport. Teamed with athletic administrators, these coaches comprise the Varsity Equestrian Steering Committee. The committee's charge is to develop procedures, legislation, and advance the sport via promotion and corporate sponsors. An annual meeting of the entire steering committee is held annually at the USEF Headquarters in Lexington, Kentucky.

United State Equestrian Federation (USEF):

As the National Governing Body for equestrian sport in the United States and of Varsity Equestrian, USEF shares the sport with the world while advocating fairness, excellence and equine welfare in all aspects of horsemanship and competition. USEF sends athletes and teams of the highest caliber to represent our country at home and abroad. Through more than 2,800 recognized competitions in 27 breeds and disciplines, and with 86,000 members USEF continues to grow and acknowledge equestrian athletes at every level. Learn more about USEF at www.usef.org.

American Quarter Horse Association (AQHA):

With more than 350,000 worldwide members and 4.5 million registered American Quarter Horses in 80 different countries, the American Quarter Horse Association is the world's largest equine association and a strong supporter of Varsity Equestrian. AQHA offers diverse programs for all types and levels of horse owners, from competitive to recreation. Annually, AQHA approves around 2,900 horse shows and special events that culminate at three different World Championships: the AQHA Youth World Show, the AQHA Open/Amateur World Show and the AQHA Select World Show. In all, over 927,000 entries compete year-round at the AQHA approved shows. Visit www.aqha.com for more information.

The Varsity Equestrian Steering Committee is working diligently to advance equestrian from emerging to full championship status. The horse industry stands firmly behind the sport and is working hand-in-hand to lay a solid foundation on which the sport can continue to grow and expand.

EQUESTRIAN HISTORY

In hunt seat equitation and horsemanship events, it is the rider and not the horse that is being judged. The actions of the horse are important only as they reflect on the horsemanship of the rider. Thus it is possible for a rider whose horse "acts up" to be placed among the winners because in the judges' opinion she met the problem skillfully and solved it. Conversely, a seemingly good ride may mean nothing more than a placed horse carrying an unwitting passenger. The rider is always being judged in horsemanship classes, whether the class calls for jumping or whether it is run "on the flat" without jumps.

Judging equitation classes is not done by a mathematical formula. Judges are usually looking for style of riding, accuracy and judgment in the use of the aids (hands, seat and legs), suppleness and lightness of hands and a general impression of complete, quiet control. The program description of equitation classes makes reference to tests for riders in the different classes. This refers to the test of horsemanship that has been established by the American Horse Shows Association for all recognized shows and is published in the annual rulebook. Equitation judges must choose from these individual tests in judging horsemanship. The common criteria are:

Posture:

The position of the body, the legs, the hands, the head and eyes are all indicators of good horsemanship. The rider's back should be straight, chest out, head and eyes ahead in an alert, relaxed position. The appearance of the rider should give the impression of alert buoyancy. The movements of her body should be those that derive naturally from the horse's movements. Correct posture at all gaits and in all movements is a basic element that judges look for in horsemanship.

Hands:

A rider's hands should keep a light but certain contact with the mouth of the horse. Reins should be on a straight line from the horse's mouth to the rider's elbow.

Wrong lead:

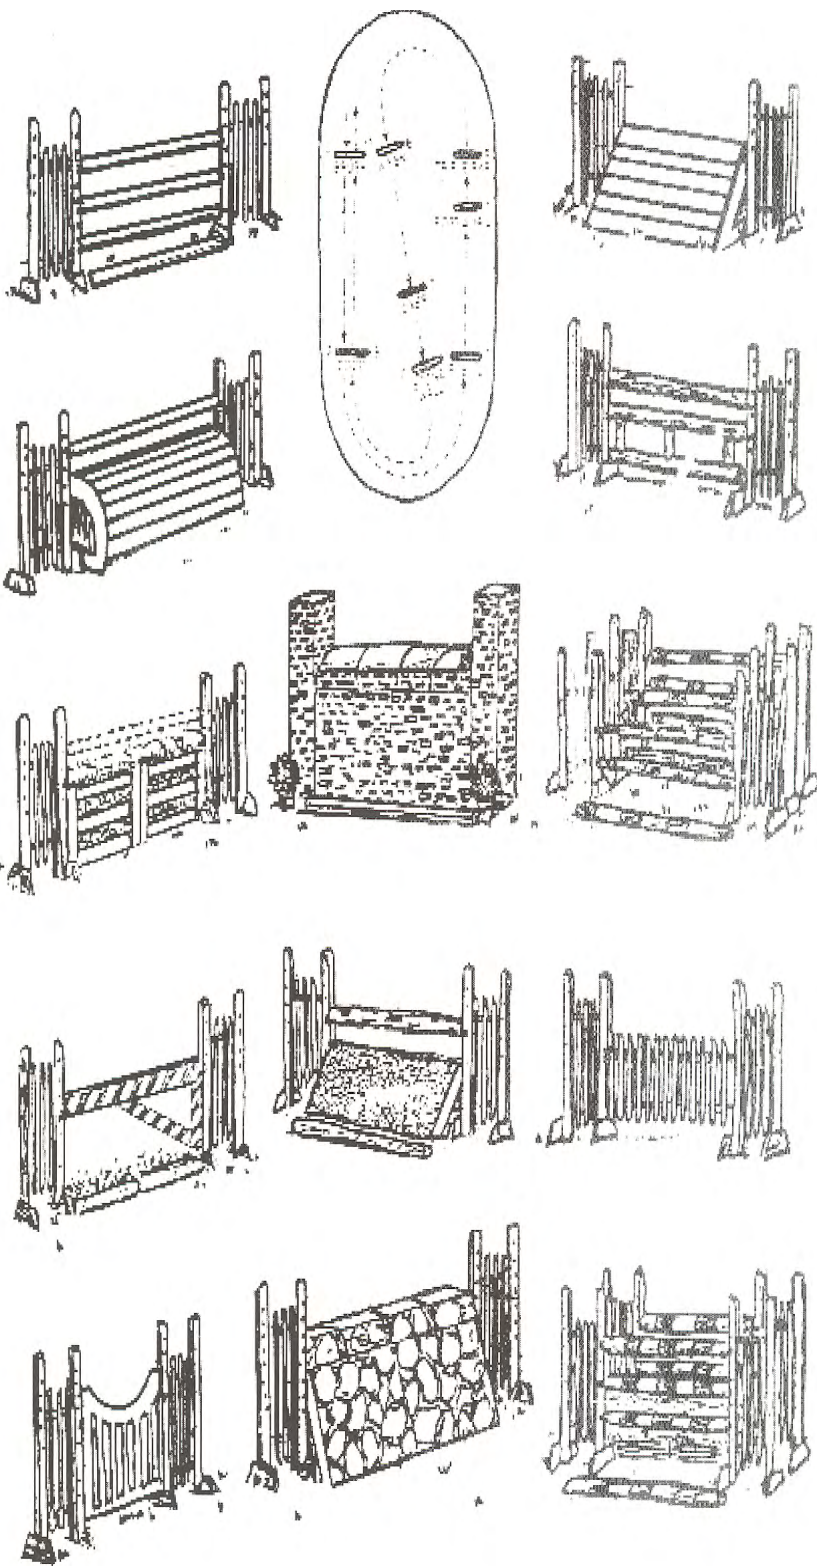

In a canter, the horse leading with the wrong leg is "on the wrong lead". Moving clockwise a horse should be leading with his right front leg. Moving counterclockwise, he should lead with the left.

Legs:

Heels should be down. No excessive weight should be carried on the stirrup irons. Legs should be quiet under the rider at all times.

Diagonals:

This fault may appear while a rider is posting (rising and sinking back in the saddle in rhythm with the horse's trot) at the trot. The rider's movement in posting should be impelled by the forward movement of the horse's inside rear leg; that is, the rear leg that is closest to the center of the ring.

University

With more than 350 undergraduate and graduate degrees and options, as well as professional degree programs in medicine and veterinary medicine, OSU provides unmatched diversity of academic offerings.

OKLAHOMA STATE UNIVERSITY

Oklahoma's only university with a statewide presence, Oklahoma State University is a five-campus, public educational system that improves the lives of people in Oklahoma, the nation, and the world by adhering to its land-grant mission of high-quality teaching, research and outreach.

OSU research, scholarship, and creative activities promote human and economic development through the expansion of knowledge and its application.

Established as a result of the Morrill Act, the Stillwater campus is the home of the OSU System. OSU was founded on Dec. 25, 1890, as Oklahoma Agricultural and Mechanical College. On July 1, 1957, Oklahoma A&M College became Oklahoma State University.

The OSU System has an enrollment of more than 35,000 students across all its campuses. Named Oklahoma's inau-

gural Truman Honor Institution for its production of Truman Scholars, OSU today boasts students from all 50 states and more than 100 nations. There are more than 250,000 OSU alumni throughout the world.

When it comes to outreach, OSU reaches across the state of Oklahoma. It has five campuses: Stillwater, which includes the Center for Veterinary Health Sciences; OSU-Tulsa; OSU-Oklahoma City; OSU Institute of Technology in Okmulgee; and the OSU Center for Health Sciences in Tulsa, which includes the OSU Medical Center. OSU also boasts 16 agricultural experiment stations statewide, extension offices serving all the state's 77 counties and research facilities in Stillwater and Tulsa.

With more than 350 undergraduate and graduate degrees and options, as well as professional degree programs in medicine and veterinary medicine, OSU provides unmatched diversity of academic offerings.

OSU conducts innovative research and technology transfer that enhance Oklahoma's economic vitality and its quality of life. The focus has expanded greatly since 1890, but the third cornerstone of the university's land-grant mission remains as crucial for the future of Oklahoma as it was at statehood. Interdisciplinary collaborations with academic institutions, government agencies, private business, and industry ensure that contributions of faculty and student researchers to the development of new knowledge and its dissemination are pertinent and lasting.

Areas of emphasis include: alternative energies and conservation; animal-based agriculture and biotechnology; environmental protection; food production and safety; health and medicine; manufacturing and advanced materials; national defense and homeland security; sensors and sensor technologies; aerospace and unmanned aerial systems; and transportation and infrastructure

OKLAHOMA STATE UNIVERSITY

Although OSU is a large, comprehensive university, its size does not minimize the personal attention given to each student. OSU encourages all students when they first enroll to identify the college in which they wish to major. Because the average number of students majoring in any one department is less than 150, the student can count on personal attention in a friendly environment.

OSU offers students many distinct advantages. It has nearly four million volumes in the library; modern research laboratories and equipment; excellent physical education, recreation and student union facilities; nationally-recognized residence hall programs; outstanding cultural and sporting events; more than 500 student organizations; and nearly 50 nationally affiliated fraternities and sororities that provide a stimulating educational and social environment.

UNIVERSITY HISTORY

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County.

OAMC's first students assembled for class on Dec. 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus often marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the OSU Student Union.

A new campus master plan is guiding unprecedented construction that is making OSU more competitive in academics and athletics. Since the fall of 2008, OSU has opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, a refurbished Old Central, the Donald W. Reynolds Architecture Building, an upgraded Murray

Hall, the Henry Bellmon Research Center and a renovated Student Union, considered the most comprehensive union in the country. Most recently, the university has opened University Commons residential life facility, Bert Cooper Engineering Structures Lab, a new information technology building, library annex, Greenwood Tennis Center, a new outdoor track, a renovated Atherton Hotel, a new wing to the College of Human Sciences building, the Ferguson Family Dairy Center, a new business building, a new Central Plant, and the Endeavor engineering lab. The McKnight Center for the Performing Arts will open in 2019. Hall of Fame Avenue on the north, University Avenue on the south, and Monroe Street through the campus core have been significantly upgraded, and the university is making numerous upgrades to its campus landscape.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, A&M teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. The next year, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl to clinch a national title, which was retroactively awarded by the Football Writers Association of America.

By the 1950s, the college had grown substantially. In 1957, Oklahoma A&M became The Oklahoma State University for Agriculture and Applied Science.

During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999.

Today, OSU has more than 35,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to more than 7,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

UNIVERSITY PRESIDENT BURNS HARGIS

OKLAHOMA STATE
COWBOYS

BURNS HARGIS

UNIVERSITY PRESIDENT
11TH YEAR

Burns Hargis was named the 18th President of Oklahoma State University and the OSU System in December 2007 and took office March 10, 2008.

Hargis oversees one of the nation's most comprehensive land-grant university systems with more than 35,000 students, 7,400 employees, and campuses located in Stillwater, Tulsa, Oklahoma City and Okmulgee.

He has guided OSU to record enrollment and record fundraising, reaching the \$1 billion Branding Success campaign goal in April 2013, nearly two years ahead of schedule. The campaign focused on student scholarships, faculty and other vital resources and programs. He also is overseeing a construction boom that is transforming the OSU campus to be more competitive in academics and athletics.

Hargis has a bold vision of creating a modern land-grant university that cuts across disciplines to better prepare students for success.

Hargis, who holds degrees in accounting from Oklahoma State University and in law from the University of Oklahoma, is the second OSU graduate to lead the university as president. Oliver S. Willham, who served as president from 1952 to 1966, graduated from then Oklahoma A&M in 1923.

He is past chairman of the Big 12 Conference Board of Directors and represents the conference as a member of the NCAA Division I Board of Directors and the NCAA Board of Governors.

Before being named OSU President, Hargis had a long and distinguished legal and business career, with active civic and philanthropic leadership across many fronts. He also is familiar to many Oklahomans through the political perspective and wit he provided on the award-winning television program "Flashpoint".

Prior to coming to OSU, he was Vice Chairman of Bank of Oklahoma, N.A. Before joining Bank of Oklahoma in 1997, Hargis practiced law in Oklahoma City for 28 years, most recently with the firm of McAfee & Taft. He is a former president of the Oklahoma County Bar Association, former president of the Oklahoma Bar Foundation, and is a Fellow of the American Bar Foundation.

Hargis served as vice-chairman of the Oklahoma State Election Board, the Oklahoma Constitutional Revision Commission, and served as Chairman of the Oklahoma Commission for Human Services. Hargis was a candidate for the Republican nomination for Governor of Oklahoma in 1990.

A firm believer in the power of imagination and collaboration, Hargis was the first chair of the Oklahoma Creativity Project. He has served and chaired many boards, including the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges of Oklahoma State University.

Hargis received the state's highest honor when he was inducted into the Oklahoma Hall of Fame in 2009. Hargis and his wife, Ann, have two married children and three grandchildren.

As the private fundraising organization for Oklahoma State University, the OSU Foundation unites donor and university passions and priorities to achieve excellence.

We manage donor dollars to provide the most advanced educational opportunities to students, faculty, staff, alumni and friends of OSU. From scholarships to community programs, our donors generously support the spirit and tradition of Oklahoma State University.

ATHLETIC DIRECTOR MIKE HOLDER

OKLAHOMA STATE
COWBOYS

MIKE HOLDER

ATHLETICS DIRECTOR

14TH YEAR | OKLAHOMA STATE, 1970

Mike Holder won eight NCAA team titles as head men's golf coach at Oklahoma State from 1973-2005, but what he's done for his alma mater while serving as athletic director since then is perhaps even more remarkable, especially in the realm of facilities and fundraising.

FACILITIES

When Holder took over as athletic director on September 16, 2005, he set out an audacious facilities master plan that has nearly come to fruition.

The facilities renaissance was actually set into motion during Holder's coaching days when he was a central figure in bringing Karsten Creek Golf Course into existence. The home of Cowboy and Cowgirl golf is widely recognized among the very best public courses in the nation and hosted the NCAA Championships in 2003, 2011 and 2018, along with several men's and women's NCAA regionals.

Holder's first major facilities move as athletic director came with a total overhaul of Boone Pickens Stadium that was completed in 2009. With Holder serving as athletic director, both the north and the west sides of the stadium were brought to their current form and the stadium is now recognized as one of the finest in college football.

Built from the ground up during Holder's tenure as athletic director are the Sherman Smith Indoor Training Center and the Michael and Anne Greenwood Tennis Center. Located right across the street from Boone Pickens Stadium, the 94,000-square-foot Smith Center serves nearly all of Oklahoma State's teams and is the primary practice home for Cowboy football. Just north of that is the 50,000-square-foot Greenwood Tennis Center, which was completed in 2014 and in 2016, was recognized by the United States Tennis Association as the nation's outstanding college tennis facility.

The soccer program moves into a new \$20 million home in 2018. The sparkling new facility is a showcase for college soccer with club seats, plaza and upper bowl gathering areas and a north end zone terrace area and seating designed specifically for OSU students. Team facilities include locker rooms, meeting areas, kitchen facilities, sports medicine areas and equipment rooms.

In the spring of 2018, Holder announced plans for a new baseball complex that is scheduled to be ready in time for the 2020 season. Inspired by Boone Pickens Stadium and promising to be among the elite college baseball facilities in the country, the \$75 million home of the Cowboys will include approximately 3,500 permanent seats, 13 suites and 400 premium seats in dedicated club and suite areas. Seating can be expanded to 8,000 as needed.

FUNDRAISING

Any discussion about fundraising at Oklahoma State must start with Holder's close friend, Boone Pickens, who has given more than \$500 million to his alma mater. Holder's vision for athletic facilities inspired Pickens to give \$165 million toward the project in 2006, marking the largest donation in the history of college athletics.

At Holder's urging, OSU Athletics has placed an emphasis on scholarship endowments. The "Leave A Legacy" endowment drive has seen Oklahoma State climb from dead last in the Big 12 to the top with gifts and commitments of approximately \$61 million. As recently as 2009, OSU's endowment stood at just \$2.1 million.

Perhaps Holder's adept fundraising stems from his "fund-giving". He and his wife, Robbie, illustrated their commitment to Oklahoma State when they donated \$500,000 for the first fully endowed scholarship for Cowboy football. The scholarship is named for former OSU player, the late Vernon Grant. The Holders' lifetime giving to OSU surpasses \$2.5 million, including \$1 million for an entrepreneurship super chair at OSU in the Spears School of Business.

"Robbie and I made the gift to the college of business because of (OSU donors) Malone and Amy Mitchell," Holder said at the announcement. "Having two degrees in business was the icing on the cake. I would like to see the new program nationally recognized and make a difference in the lives of young people."

Malone and Amy Mitchell had made a \$57.2 million gift to OSU, split evenly between athletics and academics, on the day the Holders announced their \$1 million gift.

SUCCESS IN COMPETITION

Oklahoma State has won six NCAA team titles under Holder's watch and entering the 2018-19 academic year, 11 different OSU programs have combined to win 49 conference titles with Holder in the athletic director's chair. Locally, OSU has won the all-sports Bedlam Series over in-state rival Oklahoma in each of the past five academic years.

Holder has presided over the best sustained era in Cowboy football history. The Pokes won the Big 12 Conference title outright in 2011 and have appeared in 12 straight bowl games, with four appearances in New Year's Six contests since 2010. In that same time span, the Cowboys have averaged 9.8 wins per season and rank 10th nationally with 78 wins this decade.

BACKGROUND IN GOLF

During his tenure as OSU men's golf coach, Holder's successes included not only his team's results on the course, but his players' performances in the classroom and beyond.

In 2000, Holder's Cowboy golf team claimed the national championship, marking the eighth time his squad carried home the NCAA trophy. And while high national finishes are the norm at Oklahoma State, the accomplishments of his teams never stopped at the 18th hole.

Holder took over his OSU coaching post on July 1, 1973, and during his tenure, his teams set student-athlete standards that were unequalled. While he coached 112

All-America selections, including 38 first-team choices, and has numerous former players competing on the PGA Tour, overseas and on mini-tours, Holder saw to it that his players also excelled in the classroom. During his tenure, OSU produced three Ben Hogan Award winners, which was based on academic and athletic excellence nationwide. Kevin Wentworth earned the honor in 1990, Trip Kuehne claimed the prestigious award in 1995 and Hunter Mahan was named the 2003 recipient. Kuehne was OSU's outstanding male graduate in 1995 as well.

Holder is one of five coaches in NCAA history, regardless of sport, to win a national championship in four different decades. Three times Holder coached the Cowboys to the national team title the same year an OSU individual also claimed medalist honors (1978, 1987 and 2000). Along the way, he claimed 25 conference championships. His 21 Big Eight championships were the second most by a head coach in any sport, trailing only Kansas basketball coach Phog Allen.

As a student-athlete, Holder was the 1970 Big Eight medalist and led OSU to the conference team title. He was a third-team All-American as a junior and a senior and an honorable mention All-American as a sophomore.

PERSONAL

A graduate of Ardmore HS, Holder earned his degree in marketing from Oklahoma State in 1970 and completed work on his MBA at OSU in 1973. His wife, Robbie, graduated as salutatorian from Jasper High School in 1966, and attended the University of Houston where they met at the All-American Intercollegiate golf tournament in 1968.

Very few athletic departments produce the kind of consistent success found at Oklahoma State.

OSU boasts NCAA team championships in five different sports – wrestling (34 titles), men's golf (11 titles), men's cross country (four titles), men's basketball (two titles) and baseball (one title). Additionally, OSU football and equestrian have been recognized as national champions by other organizations, with football honored as the American Football Coaches Association national champion in 1945 and equestrian winning four team national titles as recognized by the National Collegiate Equestrian Association.

Counting NCAA team titles plus football, OSU has won 53 national championships – a mark that ranks fifth among all Division I schools.

That same success translates on the conference level, where Oklahoma State has amassed 405 team conference championships entering the 2018-19 academic year. A team-by-team look at OSU athletics:

MEN'S CROSS COUNTRY/TRACK AND FIELD

Oklahoma State has won three NCAA cross country team championships since 2009 and finished in the top 10 at the NCAA Championships in six of the last nine seasons. The Cowboys have won nine of the last 10 Big 12 team titles.

OSU won the 2014 and 2016 Big 12 Indoor Track and Field team championships and placed 15th at the 2016 NCAA outdoor championships. A Cowboy has won an NCAA title in two of the past four outdoor seasons, with Chad Noelle winning the 1,500 meters in 2015 and Nick Miller winning the hammer throw in 2016. Hassan Abdi was the 2017 Big 12 cross country individual champion.

The 2018 squad led the Big 12 with 25 Academic All-Big 12 honorees, 19 of which earned a spot on the first team.

WOMEN'S CROSS COUNTRY/TRACK AND FIELD

The Cowgirls won the 2015 Big 12 cross country title and have placed in the top four at the Big 12 meet in each of the past seven seasons. For context, OSU had only three top-three finishes at the Big 12 meet from 1990-2010.

pionship and as a team, OSU placed 10th at the 2016 NCAA indoor meet and 12th at the NCAA outdoor meet – both of which marked the best in program history.

In 2018, the Cowgirls ranked second in the league with 29 Academic All-Big 12 honorees and had three CoSIDA Academic All-Americans in Stephanie Ferrante, Emily Hart and Ariane Ballner.

SOCCER

Champions of the Big 12 in 2017, the Cowgirls have earned berths in 10 of the last 12 NCAA Championships and advanced to the Elite Eight in 2010 and 2011. From

The Cowboy golf program won its 11th NCAA team title in 2018.

OKLAHOMA STATE ATHLETIC DEPARTMENT

2008-11, OSU celebrated four consecutive Big 12 championships. Forward Courtney Dike played in the 2015 FIFA Women's World Cup.

In 2017, the Cowgirls matched a program record with 15 Academic All-Big 12 honorees.

FOOTBALL

Mike Gundy has coached the Cowboys to a bowl game now referred to as one of the New Year's Six four times since 2010. The Pokes appeared in the 2010 Cotton Bowl, the 2012 Fiesta Bowl, the 2014 Cotton Bowl and the 2016 Sugar Bowl. OSU posted three consecutive 10-win seasons in 2015, 2016 and 2017. Notable products of Cowboy football include 1988 Heisman Trophy winner Barry Sanders, five-time NFL Pro Bowler Thurman Thomas and current NFL Pro Bowlers Russell Okung, Dez Bryant and Dan Bailey.

In 2017, three Cowboys earned CoSIDA Academic All-America status and the OSU football program posted a perfect score of 1,000 on the NCAA Academic Progress Rate (APR).

MEN'S BASKETBALL

With two national championships, six appearances in the Final Four, 11 appearances in the Elite Eight and 14 trips to the Sweet 16, OSU basketball is a consistent power. The Cowboys have won 20 games or more in 21 of the last 28 seasons.

In 2017, Cowboy point guard Jawun Evans became the 22nd All-American in program history. Other notable OSU products include Hall of Famers Henry Iba and Bob Kurland, plus coach Eddie Sutton. Two of the NBA's fiercest defensive standouts - Marcus Smart of the Boston Celtics and Tony Allen of the Memphis Grizzlies - hail from Oklahoma State.

In the classroom, the men's basketball program recorded a perfect score of 1,000 on the NCAA Academic Progress Rate (APR).

WOMEN'S BASKETBALL

OSU has eight NCAA Tournament appearances in the last 12 seasons and advanced to the Sweet 16 in 2008 and 2014. The Cowgirls have won 148 games over the past seven years (21.1 wins per season) and produced the 2016 Big 12 Player of the Year in Brittney Martin and the 2016 Big 12 Coach of the Year in Jim Littell.

Six Cowgirls earned Academic All-Big 12 honors in 2018 and guard Loryn Goodwin was the 18th overall pick in the WNBA Draft.

EQUESTRIAN

Winners of five of the past seven Big 12 team titles, including the 2018 crown, the Cowgirls have four national championships to their credit (2000, 2003, 2004 and 2006). OSU added Western titles in 2005 and 2013. In 2018, six Cowgirls earned All-America status and 28 secured spots on the NCEA Academic Honor Roll.

WRESTLING

The winningest program in all of North American sports - NCAA or professional - Cowboy wrestling boasts 34 NCAA team championships and 142 NCAA individual crowns. The Cowboys have won nine of the last 10 Big 12 team titles and produced the 2016 Hodge Trophy winner in Alex Dieringer. OSU was the 2016 NCAA runner-up and finished third at NAAs in 2017.

When the NCAA released its Academic Progress Rate (APR) data in 2018, Cowboy Wrestling posted an outstanding 991 score out of a possible 1,000 points for the previous academic year.

SOFTBALL

OSU has made seven trips to the Women's College World Series, the most recent of which came in 2011. Cowgirls Melanie Roche, Michele Smith and Lauren Bay all represented their countries in the Olympics. OSU advanced to the regional final at the NCAA Championships in both 2016 and 2017.

Vanessa Shippy was the Big 12 Player of the Year in 2016 and 2018 and became the first Cowgirl to be named an All-American on the field and also a CoSIDA Academic All-American for her work in the classroom three consecutive years.

The softball program posted a perfect score of 1,000 on the NCAA Academic Progress Rate (APR) data released in 2018.

MEN'S GOLF

A truly elite program within the sport, Oklahoma State won the 2018 NCAA team championship - the 11th in program history - and claims eight NCAA individual champions and 54 conference titles all-time.

Included on Cowboy golf's list of alumni are PGA performers Rickie Fowler, Hunter Mahan, Peter Uihlein, Morgan Hoffmann, Alex Noren, Charles Howell III, Bo Van Pelt, Scott Verplank and Kevin Tway.

The Cowboys were honored by the NCAA for posting a perfect multi-year score of 1,000 in each of the last two rounds of Academic Progress Rate (APR) data.

WOMEN'S GOLF

Seven of the past 13 Big 12 Golfers of the Year have come from Oklahoma State and Courtney Jones was named Big 12 Coach of the Year in 2016 after leading the Cowgirls to the conference crown. Of the 22 Big 12 Championships contested since the league's inception, the Cowgirls have won nine - nearly twice as many as any other school.

Kenzie Neisen won the Big 12 individual title in 2015 and 2016.

MEN'S TENNIS

The Cowboys have piled up 18 conference championships through the years and have competed in the NCAA Championships in 12 of the last 16 seasons, including a trip to the Sweet 16 in 2016. Jay Udwadia was honored as the ITA Central Region Coach of the Year in 2017 and led the program to a perfect score of 1,000 in the NCAA Academic Progress Rate (APR) data released in 2018.

WOMEN'S TENNIS

The Cowgirls were 2016 NCAA runner-up, have advanced to the NCAA Elite Eight in two of the past three seasons and won both the Big 12 regular season title and the conference tournament in 2016, with head coach Chris Young earning Big 12 Coach of the Year accolades for his efforts.

OSU has produced at least one All-American in each of the last five seasons, including Vladica Babic and Sofia Blanco, who advanced to the NCAA doubles title match in 2018. One of four Cowgirls named to the Academic All-Big 12 team, Blanco was also named a CoSIDA Academic All-American in 2018.

BASEBALL

One of the sport's most revered programs, Oklahoma State has made 44 trips to the NCAA Tournament, 20 trips to the College World Series and boasts 32 conference championships, including the 2017 Big 12 title. In Robin Ventura and Pete Incaviglia, the Cowboys claim two of the greatest college baseball players of all time. OSU has made six straight trips to the NCAA tournament, with Super Regional appearances in 2014 and 2016 and a College World Series trip in 2016.

MR. T. BOONE PICKENS

T. Boone Pickens is arguably OSU's (and the state's) most visible personality. His various endeavors and colorful demeanor have been chronicled on the covers of most American business publications and by some of the most-watched television programs in the country.

During the span of his long career, T. Boone Pickens has created thousands of jobs and made billions of dollars—for others as well as himself—and he isn't timid about spreading it around. "I like making money. I like giving it away.... not as much as I like making it, but it's a close second," he has often said.

The breadth of his philanthropy—which approaches \$1 billion during his career—includes health and medical research, treatment and services; entrepreneurship; kids at risk; education and athletics, with a particular focus on his alma mater, Oklahoma State University; corporate health and fitness; and conservation and wildlife management. While many donations involve tens of millions of dollars and attract headlines, there are hundreds more ranging from hundreds of thousands to several hundred. Each is important in its own way.

The establishment of the T. Boone Pickens Foundation has ensured his continued ranking as one of the top U.S. philanthropists. The Pickens Foundation is improving lives through grants supporting educational programs, medical research, athletics and corporate wellness, at-risk youths, the entrepreneurial process and conservation and wildlife initiatives.

In 2007, Pickens brought his innovative entrepreneurial approach to the philanthropic sector, announcing the Foundation's largest gifts yet—\$50 million each for two University of Texas health care institutions: UT Southwestern Medical Center at Dallas and The University of Texas M. D. Anderson Cancer Center in Houston. Under unique agreements, the gifts create special funds at the institutions, requiring that they grow to \$1 billion (\$500 million each) within 25 years from earnings on the original principal and/or from new outside donations solicited by the institutions. When the \$500 million marks are reached, the institutions will be able to distribute the funds as they deem fit.

In many ways, Pickens is a record-setting philanthropist. His \$165 million gift to his alma mater, Oklahoma State University, in 2005 is the single largest gift for athletics in NCAA history, and the \$7 million donation to the American Red Cross in 2005 is the largest individual contribution in the 150-year history of that organization. His unprecedented giving to athletics has triggered a renaissance in Oklahoma State University's football program and was a key factor in its first Big 12 championship in 2011 and its first BCS Bowl win in the Fiesta Bowl matchup with Stanford in 2012.

On May 21, 2008, Pickens gave \$100 million for the endowment of major faculty chairs and professorships at Oklahoma State University. The OSU School of Geology already bears his name from previous gifts to OSU.

Over the years, Pickens has donated over \$500 million to Oklahoma State, split virtually equally between athletics and academics.

In 2010, OSU launched its campus-wide "Branding Success" campaign and T. Boone Pickens again led the charge with yet another \$120 million gift to his alma mater.

Recently, Pickens has become a national and indeed a world leader on the energy front with the launching of the Pickens Plan, which is a unique private sector initiative formed to address the economic and national security threats posed by America's ever-increasing reliance on OPEC oil.

THE BIG 12 CONFERENCE

The Big 12 is in its 23rd year in 2018-19 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of seventh-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 22 years. Since it began competition in 1996-97, the league can boast of 60 NCAA team titles and 654 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 has continued the "State of Collegiate Athletics" forums the past four seasons with Dallas serving as the host site for three events and one staged in Atlanta.

Big 12 Champions for Life, an initiative of the Big 12 Conference, will begin its fourth year in 2018-19. It features student-athletes, selected by Conference institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 was the only conference in 2017-18 that placed a team in the College Football Playoff (Oklahoma), Men's Final Four (Kansas), Men's College World Series (Texas and Texas Tech) and Women's College World Series (Oklahoma). National championships were won by Texas men's swimming & diving and Oklahoma State men's golf. UT's title was its fourth-consecutive while the Big 12 picked up its second straight men's golf crown with Oklahoma winning it in 2017. Of the eight teams that advanced to match play in the men's golf championship, half of the field represented the Big 12.

For the first time in Conference history, the Big 12 sent 90% of its men's basketball teams to postseason play with seven in the NCAA Division I Men's Basketball Championship and two in the National Invitation Tournament. The Big 12 is the first league since at least 1996-97 to accomplish this feat. The Conference's 70% participation in the NCAA Championship was the highest of all leagues.

The Big 12 led the nation in the fall of 2017 with 80% of its teams selected to bowl games highlighted by No. 2 Oklahoma competing in the CFP Semifinal at the Rose Bowl. The Big 12 had at least 80% of teams bowl eligible for the third time in Conference history (90% in 2010 and 80% in 2011). It marked just the 14th occasion since 1996 that an

THE BIG 12 CONFERENCE

FBS league had at least 80% of teams with 6-plus wins. The Big 12 has made six appearances in a CFP News Year's Bowl in the four years of the structure.

Additionally, the Big 12 added its sixth Heisman Trophy winner since 1996 with Baker Mayfield (Oklahoma) taking home the 2017 award. The Conference has had a finalist in 14 of its seasons for a total of 19 with two finalists in five seasons. Thirty-eight major individual awards have been won by Big 12 student-athletes in football over the past nine campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last seven seasons, 14 student-athletes were recipients of the NCAA Elite 90 Award with Oklahoma State's Noah Gade (cross country), Oklahoma's Lily Miyazaki (women's tennis) and Baylor's Colin Kober (men's golf) picking up the most recent honors in 2017-18. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 650 Academic All-America recipients, averaging about 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Thirteen times in the past 14 years a league athlete

has garnered the top academic honor for their respective sport, including Jevon Carter (West Virginia) for men's basketball in 2017-18.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 421 scholars have received over \$3.1 million in postgraduate financial aid through the first 22 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 21 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Conference office is headquartered in Irving, Texas.

STILLWATER, OKLAHOMA

Located in north central Oklahoma, Stillwater provides a college-town atmosphere with big-city access. Stillwater Regional Airport (SWO) offers two – three daily flights to and from American Airlines' largest hub at the Dallas/Fort Worth International Airport (DFW), so the possibilities for stress-free traveling to and from Stillwater are endless.

Stillwater, with a population around 50,000, is rapidly growing and with visitors often turning into residents, it's no wonder the US Census Bureau named us the "Fastest Growing City in the State of Oklahoma."

Stillwater is home to some of the region's finest education and training institutions including Oklahoma State University, Meridian Technology Center, Northern Oklahoma College, and one of the nation's top-ranked public school systems.

With such a strong commitment to education, it's easy to see why Stillwater's educational attainment is among the highest in the nation with 48 percent of its residents holding bachelor's degrees and higher. We are the micropolitan anchor for the state's technology triangle that also includes OKC and Tulsa.

Known for events such as Calf Fry, America's Greatest Homecoming Celebration, and OSU Football – Stillwater, OK is home to hundreds of events and activities throughout the year. From live music at Willie's Saloon to the handcrafted fare at the Stillwater Arts Festival; 50K trail runs at Lake McMurry to livestock shows at the Payne County Expo Center – there is always something going on!

Stillwater's "college town" atmosphere lends itself to a variety of museums, galleries, and shopping. Move through the years, 1890 to the present, and learn about OSU's national championships at the Heritage Hall Museum. Browse through the largest collection of wrestling memorabilia in the world at the National Wrestling Hall of Fame or explore the nation's largest Student Union at OSU and learn about all of the on-campus amenities and venues.

Take a leisurely stroll down Main Street for a local experience or go for a marathon day of shopping with any of our nationally known retailers. Shopping in Stillwater is as unique an experience as is our eclectic culture.

From a cozy wine bar ambiance to the two-stepping, honky-tonk scene, Stillwater has an after-hours hot spot to suit your nightlife needs. There is no lack in the restaurant depart-

ment either! From barbeque to fine dining, plus world famous stops such as Eskimo Joe's and The Original Hideaway Pizza, you will always find something to satisfy your appetite.

For the outdoor enthusiast, grab a fishing pole, pack a picnic, or take a bike ride and fill your lungs with fresh Stillwater air at one of our many outdoor recreation areas. Our trails, parks and lakes provide the perfect backdrop to take in the Oklahoma landscape.

Oklahoma State University continues to be the home of one of the most well-rounded and successful programs in college athletics and attracts more than 600,000 fans a year! With 51 national team championships, countless conference titles and some of the top individual performances in NCAA history, OSU Athletics is a vital part of the Stillwater experience.

Whether you're here for a short time or a lifetime, you'll want to stake your claim in America's Friendliest College Town!

AMERICA'S FRIENDLIEST COLLEGE TOWN

OKLAHOMA STATE SPIRIT

OSU PROUD

Alumni of Oklahoma State University are as loyal to their alma mater as any group in America. Just look around the Stillwater campus. OSU's director of athletics, head football coach, head wrestling coach and head baseball coach are all graduates of Oklahoma State.

Many factors contribute to the "college experience" – not the least of which is gaining a feeling of belonging and a sense of loyalty to the school, its faculty and staff, the community that embraces the university, and the athletic teams that compete to garner conference and national honors.

Wearing school colors and displaying emblems of the university are life-long symbols of allegiance. Oklahoma State's famed Homecoming is a yearly celebration that brings much activity and excitement.

THE COWBOY TRAIL

Dating back to the 1890s, Oklahoma A&M sports teams had been referred to as Agriculturists or Aggies, the Farmers, and officially but unpopularly, the Tigers. But by 1924, Charles Saulsberry, sports editor of the *Oklahoma City Times*, and other writers who regularly covered college events, had begun to refer to Stillwater's teams as the A&M Cowboys. Reporters' constant search of colorful synonyms started sprinkling Cowpokes, Pokes, Waddies, Cowpunchers and Punchers in conversation. "Cowboys" had a Southwestern flavor and flair that fit like a favorite pair of boots.

The Athletic Council authorized athletics director Edward C. Gallagher to have 2,000 balloons printed, "Oklahoma Aggies—Ride 'Em Cowboy" for sale at football games in 1926.

PISTOL PETE

(excerpt from text written by Lance Millis)

Around 1923, when Oklahoma A&M College was searching for a new mascot to replace its tiger (copied along with the school's orange and black colors, from university founders who hailed from Princeton), a group of students saw Frank Eaton leading the Armistice Day Parade. He was approached to see if he would be interested in being the model for the new mascot, and he agreed. A likeness was drawn and began to be used on sweatshirts, stickers, etc., and a tradition was born.

That caricature was the basis for what is used today as the official Oklahoma State University mascot. For 35 years, the crusty old cowboy was a living symbol of OSU, representing the colorful past of the area. As such, he would attend OSU athletic events, building dedications, etc., and sign autographs, pose for photographs and reminisce about the Old West with anyone who would listen.

To this day, his likeness is a visible reminder of the Old West to literally millions of people yearly as a symbol of colleges whose mascots pay homage to the cowboy. Each year, OSU students tryout for Pistol Pete. A panel of former "Petes" judge the tryouts and select the two best candidates based on an interview, a mime, and posing as mascot in different "game situations." The two who are selected split the approximately 500 appearances annually. These appearances include all athletic events, pep rallies, business openings, weddings, birthday parties, and public school events.

FRANK EATON - BEFORE PISTOL PETE

"My boy, may an old man's curse rest upon you, if you do not try to avenge your father...You must never stop until they are all accounted for!" These words, according to one of Eaton's many stories, were spoken by a family friend following the brutal murder of his father, and guided the formative years of Frank's life.

Born in 1860, in Hartford, Connecticut, Frank moved with his family to Kansas shortly after the close of the Civil War. When Frank was eight years old, his father, a former Union soldier, was shot and killed by a group of lawless former Confederates. Frank was a witness to the murder and each of the murderers' faces was imprinted in his memory.

After being challenged to avenge his father's death by Mose Beaman, (the family friend), Frank set out to learn how to handle guns. Mose gave him a gun and holster, and taught him how to handle and shoot guns. Frank quickly learned to "shoot a snake's head off with either hand". During the next few years, Frank's days were spent helping his mother with chores and practicing shooting. With each passing year, he became faster and more accurate with his guns.

When Frank was 15, he learned of the location of one of his father's killers. After deciding it was almost time to set out on his mission, Frank wanted to make sure his shooting skills were good enough. He decided to visit Fort Gibson, a cavalry fort, to try to learn more about handling a gun. There he competed with the cavalry's best marksmen, beating them each time. After many competitions, the fort's commanding officer, Colonel Copinger gave Frank a marksmanship badge and a new name. From that day forward, Frank would be known as Pistol Pete.

BULLET

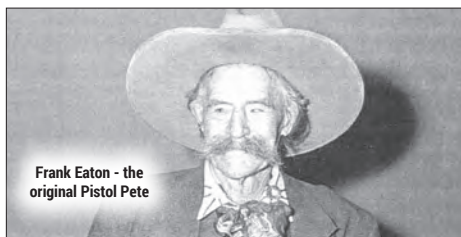

The Oklahoma State University Cowboys have many symbols of their western heritage, but none is more appropriate than their mascot, Bullet. The Spirit Rider program debuted in 1984 with the first few Spirit Riders providing their own horse to serve as mascot for the OSU Cowboys.

However, in 1988, Stars Parr Money was donated to the OSU Athletic Department to be used specifically as the mascot. Since that time, Bullet has delighted crowds with his traditional sprint across the football field following every Cowboy touchdown. The heart of the Cowboy Spirit Rider Program, Bullet is not only seen at Boone Pickens Stadium and other OSU football games, he's made appearances at local elementary schools, parades, rodeos and other special events, including the opening ceremonies of the Oklahoma State Special Olympics.

The tradition of the Spirit Rider can be attributed to the late Eddy Finley, who wanted to promote school spirit the "cowboy way," on horseback. Since that time, additional support has come for the Spirit Rider and Bullet, much of it due to Finley's hard work. A horse trailer, custom-tooled saddle and uniform dress for the Spirit Rider and ground crew have been donated to OSU. In honor of the Spirit Rider and its tradition, Jim Hamilton sculpted the Spirit Rider bronze statue that sits next to the National Wrestling Hall of Fame in Stillwater.

Bullet speeds onto the field after each score.

AMERICA'S GREATEST HOMECOMING CELEBRATION

Friday night's "Walkaround" attracts thousands to campus for Homecoming.

Ask any Oklahoma State University graduate what OSU's greatest tradition is, and you'll hear one word - Homecoming.

The OSU Alumni Association has presented Homecoming at OSU since 1920 growing it from a small-town carnival to a nine-day, award-winning celebration. It is widely known as "America's Greatest Homecoming Celebration" with its signature event, Walkaround, which regularly draws more than 80,000 spectators to view elaborate Greek house decorations, parade floats and residence halls bathed in orange.

OSU's Homecoming is entirely run by students - more than 250 on committees within the Alumni Association and thousands more in Greek, residential and campus life. Cowboys love our Homecoming tradition and are actively contributing to an endowment to secure its future existence and growth on our campus.

Homecoming is a driving force in the Stillwater community. In 2013, the Harvest Carnival event contributed 18,500 pounds of canned food donations to the local Harvest II food drive. Homecoming also highlights other OSU sports at Homecoming & Hoops where fans can preview the upcoming season's squads for Cowboy and Cowgirl basketball in addition to enjoying a pep rally for Saturday's football game.

From the Edmon Low Library's orange fountain to Hester Street painted for coaches and players to view during "The Walk," OSU and its alumni are proud to claim "America's Greatest Homecoming Celebration." Homecoming 2018: 'Cowboys Ride On' is October 11-27 and will conclude with the Texas vs. OSU football game on Saturday, October 27.
